

## MBA Summer Associate

### Position Overview

The MBA Summer Associate will work on a combination of high priority projects including:

**Investing with Integrated Capital.** Using a mix of debt, equity, guarantees, and grants to support the growth and impact of social enterprises, the associate will gain direct investing experience through due diligence, structuring, and capital deployment that best suits the long-term needs of entrepreneurs.

**Competitive Analysis.** The associate will map the evolving impact investing and social finance marketplaces to more clearly differentiate RSF, and advance the following priorities:

*New Product Development.* S/he will analyze demand from investors and social enterprises to define new offerings that fill gaps and expand upon RSF's core strengths.

*Asset Management.* S/he will contribute to the development of a version 3.0 of investment strategy for RSF's philanthropic capital.

*Co-investment Partnerships.* S/he will identify deeply aligned investors, lenders, and donors that complement RSF's Integrated Capital offerings. The associate will also cultivate relationships that result in sourcing new social enterprise clients and a co-investment community.

Long-term career opportunities exist at RSF as well as with clients in our loan portfolio, investors, donors, and community partners whom the summer associate will get to work alongside.
